**Summary**

WAC 388-310-1600

Updated information for 5/1/04 policy change:

- Mandatory case staffing prior to sanction;
- Removed levels of sanction and replaced with 40% reduction in grant or individual's share of the grant (whichever is greater);
- Protective payee imposed effective the date the grant reduction;
- Four week cure period;
- The sanction is removed the first of the month following cure date.
